## Montana Grand Assembly Newsletter November 2025 ~ Volume 2

Hello Everyone! Hello Everyone!

Can you believe it's already November! I personally find that this time of year is when we do all of my favorite service projects for this year! I'm so excited to see what you all have planned for your Assemblies as we go into this holiday season but first let's recap Montana Masonic Youth Convention!

I had such a blast seeing all of you ladies at MMYC this year and what an amazing fun filled weekend it was. I sadly arrived a day late due to my school schedule but I was so

excited to finally arrive in Great Falls and see you all Saturday Morning. I personally think the convention was a huge hit this year with so much fun and laughter. Past Jr. Miss Montana Job's Daughter Ruthie planned a wonderful scavenger hunt for us that had us running all over the temple based on little clues to find adorable animals. I also pulled out my French Horn for the performing arts competition and then got convinced to play it for you ladies before practice. It was such a fun and special day at the Great Falls Masonic Temple and having our sisters in Job's Daughters there with us made it even more special. Of course that night was the banquet so we all ran back to the hotel to change into our formals where lots of awards for both Rainbow and Job's were awarded along with the new talent competitions where girls got to show off their creative talents. It was such an honor to award those with Ruthie. After the awards I got to witness the Miss Montana Job's Daughter competition and got to be there to welcome in Danilynn as Miss MT Job's Daughter 2025-2026.

Now we are heading into the season of giving which holds some of my favorite service project ideas. Things like adopting a family and giving out hot cocoa and cookies in your community, these are some things that I have loved doing in the past. Also regarding this year's state service project all of your schools should be having seasonal concerts within a month or so. I'm sure

they would love to have you come and bring them snacks or sell flowers for parents to buy for their students outside of the concerts. Just some ideas to think about.

I can not wait to hear more about the goings on in your Assemblies. I know I personally can not wait for this holiday season and hope you all keep that idea of giving and find ways to give back for the holidays!

In Rainbow love,

**GWA Dani 2025-26**

### A Word from Mama Huston

As we enter the holiday season this year, remember to take time to express your gratitude to those who have made a difference in your life. This could be a teacher, advisor, neighbor, family member, or friend. You can also be the person to make a difference in someone's life. Your service to others can make a difference, whether it be participation in a larger, organized service project or simply being helpful to someone individually. Sometimes the seemingly small acts of consideration and service make a difference we aren't even aware of. But, the recipient of your kindness and care is very aware of what you have done for them.

I would like to thank you, our Rainbow girls, for the difference you make in your communities. Another big thank you to the adults who work behind the scenes to make things happen and oversee all the projects and events our members enjoy. The opportunities you provide for our girls will have lasting effects on their lives.

This holiday season when I think of my blessings, I will think of my Rainbow family. I hope you will too.

Mama Huston

## Miss Montana Rainbow Service 2025-2026

Hello everybody! Since we last spoke, life has been one big crescendo of excitement. October started off with a full-on Dungeons & Dragons-style quest when I traveled to Oregon for their Roll With It Grand Assembly. Their Grand Worthy Advisor, Amelie Rees, was basically the Dungeon Master of the whole adventure, guiding everyone through a campaign that was creative, chaotic in the best way, and absolutely unforgettable. I even got to join her party as a rogue in the Party Adventure activity, sneaking around, plotting, and rolling with the chaos like my stealth modifier was finally paying off.

The whole experience felt like stepping straight into a live campaign, and I'm excited to see what new quests the next Grand Worthy Advisor, Trinity, will take her state on during her term.

Next up, I joined Garden City Assembly #55 Symphony for Fall Fling, and the fun definitely didn't skip a beat. Participating in the combined opening with Job's Daughters felt like hitting perfect harmony. Our ritual practice was incredibly enlightening, like suddenly hearing the undertones of a piece you've known forever. Then came the competitions, where I had a blast in both lecture and art. Afterward we enjoyed the banquet, watched the awards ceremony, and found out who would step into the spotlight as the next Miss Montana and Jr. Miss Montana Job's Daughter. Ending the evening with the Ribbon Ceremony felt like a sweet final chord resolving just right.

The momentum kept rolling into the Fall Festival, where we helped decorate a Rainbow hay bale and a scarecrow. The whole day felt like one long autumn encore. We even celebrated one of our pledges' birthdays, which added a perfect touch of sparkle. Honestly, it was giving "Our Song" energy: simple joys, lots of laughter, and the kind of memories that stay on repeat.

To close out this very full season, I had the privilege of presenting a check to Missoula's York Rite for their incredible support of the Rainbow Girls fair booth in August. Sharing gratitude with people who lift us up always hits the heartstrings just right.

Signing off with love and hope,

### MT State Mother Advisor Message

Rainbow Greetings,

It was wonderful to see everyone at the Montana Masonic Youth Convention last month! I'm so proud of our Rainbow Girls - their harmony, spirit, and enthusiasm truly struck a beautiful chord. It was inspiring to watch them shine in Ritual, Performing Arts, and Arts & Crafts competitions. The way our Masonic Youth groups blended together in friendship and fellowship created a melody of teamwork that will echo long after convention.

As the rhythm of fall carries us toward the holidays, let's keep that tune of service playing. Just as every note is vital in a song, every act of kindness adds to the harmony of our community. While we continue to practice our proficiency and Ritual, let's also reach out to our prospects and pledges, and lend a helping hand where it's needed most - whether it's offering snacks for school music performances, helping clean up after a concert, or simply sharing encouragement with those around us.

Wishing you all a joyful and melodious holiday season! I can't wait to see what beautiful music we'll make together in the new year.

In Rainbow Love and Service,

Ms. Crystal , SMA

### MT State Rainbow Dad

Hello again Rainbow girls! It was so great to see all of you at the Masonic Youth convention. I know I had an amazing time. I hope you did too. It was wonderful to see all those who participated in the events and to see all the winners on banquet night.

I was honored to get to join Missoula and other volunteers at a fall festival. It was a lot of fun and I even got to play around with a corn cob shooter. It was a great time and all had a blast!

Now we are moving past my favorite holiday, Halloween, and into the Christmas season. I know that I am most excited about hearing what great ideas the Rainbow Girls will come up for the Holiday season. I can guess on a few ideas Missoula will be doing, but since I don't know for sure, I won't make any speculations. I hope your Assembly has some great things to do and spread some cheer this winter season.

I can't wait to see you all again in the Spring! Till then, Remember to always reach for the stars and let nothing hold you back! You are all amazing!

State Rainbow Dad,

Mr. Chris

# MASONIC YOUTH CONVENTION

## Friday, October 17:

After registration, meet & greet & practice, the Masonic Youth Convention was kicked off with the formal joint opening. Junior Miss Montana Jobs Daughter Ruthie and Acting GWA Winter greeted everyone. Their respective flags were presented in the East. Supreme Deputy for MT Jobs Daughters Dolly Maxwell and Supreme Inspector, IORG, Carol Huston were introduced. Jobs Daughters led the gathering in prayer. Miss Montana Rainbow Service Mikal, as she draped each color of the Rainbow on the altar, she gave its meaning. After retiring the colors, officers of each group retired. Everyone enjoyed pizza and games.

# MASONIC YOUTH CONVENTION

## Saturday

All girls were busy Saturday morning with Arts & Crafts competitions, Performing Arts competitions and respective ritual competitions. Rainbow girls also met for practices and team building games. The girls also practiced how to sell ads for the Grand Assembly program books. GWA Dani's mascots were named.

Ruthie worked to  
in the performing Arts and Arts & crafts categories.

All youth came together in the afternoon for awards. SI Carol was invited to give out the SI Assembly Awards & the Rainbow Ritual Awards. GWA Dani & JMJD gether to hand out awards

Award ceremonies were paused to set up & get ready for the banquet. After everyone enjoyed the delicious meal, the Jobs Daughter held their pageant. After the winners were announced, the rest of the winners were announced.

The Sovereign Grand Inspector in MT to the Supreme Council, Scottish Rite, Southern Jurisdiction David Nielson gave remarks and presented checks to each Masonic Youth group.

The Rainbow Girls concluded the formal meeting with the Masonic Ribbon Ceremony which honors all of the Masonic Family organizations.

All girls enjoyed a dance to end the evening!

# HAMILTON ASSEMBLY #2

Greetings!

Hamilton Rainbow girls continue to help in community projects. GWAA Winter sold apple fritters at Apple Days, while the adults cooked them up. This was the Ravalli County Museum annual fundraising event.

At our first meeting in October, the girls and a pledge girls made cards with fall leaves and bible quotes. After the meeting the cards were delivered to the residents at Discovery Care, including a special one for our own Lucille Molinari.

The following weekend, MT Rainbow participated in the MT Masonic Youth Convention in Great Falls. Rainbow & Job's Daughter opened the convention in a lovely joint ceremony. Rainbow Girls participated in ritual practices & ritual competitions. Congratulations to Winter, who won the Rose Lecture

Competition. Congratulation to Lucy for winning with her photo entries. Hamilton Assembly won the gold award for the Supreme Inspector award.

Girls had a working meeting, helping Ionic Lodge #38 members build & decorate the annual Haunted House. Then, on

Halloween night, the girls donned costumes to help guide & scare people wandering through the creepy dolls, mazes, graveyards & past spiders & ghosts! 950 people came through during the 3+ hours we were open.

Sending warm thoughts for the Holiday Season!

## GREAT FALLS FAITH ASSEMBLY #3

We had a blast at this year's MMYC! The girls really enjoyed their time spent with all the other rainbow girls and pledges! Some of the highlights that they especially enjoyed were the naming of the mascots, free time to play games with other girls, the crafts, swimming, dancing, and getting medals in the awards ceremony.

Each of our girls that completed received an award and were very excited about it.

They are already looking forward to our next get together!

## HELENA ASSEMBLY #7

It's been a little quiet in Helena the last couple months with family commitments taking front seat, and none of our members/pledges could attend the Montana Masonic Youth Convention. We did make Halloween door hangars for the Masonic Home residents. Bubble art was the name of the game and we had a lot of fun doing this project.

We wish everyone a Happy Thanksgiving.

# BILLINGS JEWEL ASSEMBLY #24

Happy Fall to all of you from Billings Jewel Assembly #24.

The girls have been busy volunteering around our community. Planning ways to contribute to GWA Dani's Service project.

We attended Fall Fling & Montana Masonic Youth Convention in Great Falls in October. The girls participated in the Arts & Crafts Competition. During the banquet we had a very fun conversation with Jobs, DeMolay, and Rainbow friends about which fork to use and how to pass the salt and pepper. We had some really fun activities and made new friends.

At our last meeting we put together some gift baskets for 6 of our rural music educators.

We hope everyone enjoys the holidays.

# GARDEN CITY ASSEMBLY #55

Hello everyone! This fall was absolutely packed for our assembly, and we made the most of every minute. We kicked things off by going to Fall Fling, we participated in the combined meeting with Job's Daughters, and the energy was nonstop from start to finish. The pledges jumped into crafts, games, and competitions, then made a big announcement: their new pledge group name, the Rainbow Raindrops.

We celebrated our Masonic connection with the ribbon ceremony, brushed up on initiation practice, squeezed in a swim, and wrapped up the weekend with a fast-paced scavenger hunt with Job's. It was the perfect way to launch the season.

Right after that came the Fall Festival, where we went all-in on decorations and creativity. We designed a hay bale and scarecrow that showed off our rainbow spirit and showed some of the fun things we've done, then we soaked up the full festival experience. Think hayrides, treats, and getting delightfully lost in the corn maze.

We also kept up our strong tradition of community connectivity. At the Scottish Rite Dinner, we served an amazing meal (green bean casserole, rolls, steak, and cake... it was a whole feast) before presenting a check for their work at the fair. Shylee and Rain stepped up to make the presentation. Later, we stopped by York Rite to deliver another check and thank them for their continued support.

Overall, this fall was full of teamwork, laughter, service, and moments we'll be talking about for a long time. The momentum is strong, and we're excited for everything still ahead.

Signing off with Rainbow  
Love,  
Garden City Assembly #55

Our song of the season is 'Golden' from KPop Demon Hunters.
